

We believe that an effective way of attracting like-minded Parents and their children to Airthrie* is through a referral by satisfied families and alumni. Our Referral Incentive Programme rewards this community effort to bring more families to Airthrie School*.

The purpose of the Referral Incentive Programme is:

To enhance enrolment by rewarding those in our community who help identify pupils and their families who would desire an environment with Airthrie values and ethos; to reach out to Airthrie supporters to strengthen relationships and to raise the Airthrie profile within the Gloucestershire area.

Incentive Programme Requirements:

For each pupil (one per family) referred to Airthrie, the person referring will receive an incentive payment once that pupil has enrolled, attended school, and paid for a term's tuition. In order to be eligible for this incentive payment, all the following must occur:

- This referral programme will be open to Parents, Alumni, and Airthrie employees.
- The referred pupil must be enrolling for the current or following school academic year.
- The referring person's name must be listed on the pupil's Application for Admission form.
- The Referral Incentive Programme applies to one pupil per family.
- Details of the referrer and referred parents must be completed (overleaf) at point of registration.
- The pupil must be new to Airthrie and the Parents must have signed the Registration form & Parent Contract and
 - have made the registration deposit,
 - have made one term's tuition payment and
 - attended school for one term.

Incentive Payments:

Once all the above requirements have been met, a one-time £500.00 incentive payment will be awarded, divided as follows:

- To current parents a single £300 tuition discount against their child's fees for the term following full payment by the family referred.
- To Parents, Alumni and Airthrie employees: a single £300 payment per family referred.
- In addition to either of the above, the referred parent(s) will receive a discount of £200.00 against their child's second term's fees.
- If more than one person is named on the pupil's Application for Admission, the incentive payment will be divided equally among each named referring person.
- The referrer may introduce more than one family to Airthrie School.

*Within this document Airthrie means Airthrie School LLP whose details are shown below.
